For Producers who currently have a 2009/10 Part 2 advance, complete this form and include a letter confirming extension of crop insurance coverage into 2010, if using crop insurance as security. For producers using AgriStability and applying for additional crops, have this form witnessed by a Commissioner for Oaths.

If applying for the first time in 2009/10 and using crop insurance as security, include a confirmed Seeded Acreage Report, a Coverage Detail Document and a letter confirming extension of crop insurance coverage into 2010. For producers using AgriStability as security, have this form witnessed by a Commissioner for Oaths and include a copy of your 2008 or 2009 Enrolment Notice with Reference Margin when applying.

Agricultural Product(s) against which this application is taken based on confirmed seeded acres.
